Can everyone review the Gulfco AOC markup & be ready to discuss it this afternoon? I know Barbara Nann is out, and legal has a big part to play in this, so I'll discuss this with Mark Peyke. But in the mean time, lets go ahead and see what we think about it. How about 3:00 pm today?

Thanks,

Gary,  
I have read this letter and reviewed their comments (not the AOC yet). At first glance, it appears that their technical comments/recommendations are reasonable. Let me know what you think. Also ask the team to review the letter and AOC and see what they recommend. We (managers) will be asking the team for recommendations for technical and enforcement input. Thanks CAS

Hi Gary –

Per our conversation yesterday, attached is a copy of the Gulfco Group's comments on the removal action AOC as transmitted by Liz Webb to Tom Mariani and Barbara Nann. The comment letter is attached to this e-mail. I will send separate e-mails with a redlined version of the AOC and a clean copy of the AOC with suggested revisions. Please let me know if you have any problems accessing these documents or do not receive all three e-mails.

Thanks.
